

Square Small Pole 295F1/NR3.PR

Small Poles - Bollard H. 1000 rectangular window

Rev. 04/11/2024

Ground bollard featuring high quality construction features. Square is a solid and resistant product designed and created to ensure lighting solutions for the outdoor environment, especially in residential areas characterized by green areas and gardens. Mechanically built in such a way that the light is directed in a specific way, Square presents itself as a versatile product that can be completed with the recessed version.
